- No claim will be entertained thereafter in any of the specifies.

TECHNICALS

Coffee and tea stains can be removed using mild household cleaner or detergent and a soft cloth.

Refrain from using acidic or abrasive cleaner as they can damage the laminate surface.

Hair, textile and food dyes can lead to permanent stains. Should the die spill over, wipe it off immediately using a dish washing detergent. You can also use an all purpose cleaner.

Never use sharp objects such as knives or keys directly on the decorative surface. Using chopping board or counter saver is an advisable option.

In order to clean the laminate surface hygienically and effectively, use a damp cloth or sponge.

Never place heat generating appliances such as frying pans or dishes directly from cook top or oven on the laminate surface directly.
